CERS Implementation Plan

Dan gave a brief update on the overall electronic reporting implementation plan. 31% of the tasks in the plan have been completed in the first year (of a three year plan). Information regarding the Data Capture statewide contract should be available soon. We are on track to release the list of data fields for CERS in the January/February timeframe and the XML data exchange standards in summer 2011. Ten grant applications have been received to date from CUPAs/PAs.
